

1990 Mazda MX-5 *Miata* Workshop Manual

FORWARD

This workshop manual is intended for use by service technicians of Authorised Mazda Dealers to help them service Mazda vehicles. It can also be useful to owners and operators of Mazda vehicles in diagnosing some problems and performing limited repair and maintenance on Mazda vehicles.

For proper repair and maintenance a thorough familiarisation with this manual is important, and it should always be kept in a handy place for quick and easy reference.

All the contents of this manual, including drawing and specifications, are the latest available at the time of printing. As modifications affecting repair or maintenance occur, relevant information supplementary to this volume will be made available at Authorised Mazda dealers. This manual should be kept up-to-date.

Mazda Motor Corporation reserves the right to alter the specifications and contents of this manual without obligation or advance notice.
